

In accordance with Governor Newsom's new order, we are moving our services to our parking lot!

Wednesday Night will still be at 7pm.

We will have Children's Ministry from 3 years old (please enter through the FRONT doors to check them in), Jr High will meet in the alley beside the church, and High School will meet in the outside area of their room on the Acacia St.

Sunday will be at 10am. *This will be the only service on Sunday.* There will be no Children's Ministry, but lesson packets will be available throughout the week and on Sunday for pick-up as well as online. Jr. High will meet in the alley beside the church, but HS will attend the main service.

We look forward to continuing to gather, to worship, and to exalt our God in the midst of this pandemic. Please be praying that we continue to be a light to our community as we boldly proclaim the name of Jesus!
